

Dear parents,

As previously reported parent info meetings will take place with your child's teacher on Tuesday 12 and Thursday 14 September. Earlier you have received the parent intake form for this meeting per mail. In case you haven't completed and submitted this form to your child's teacher yet we urge you to do so at the soonest, since the form will provide the teacher with valuable information for this meeting. The parent info meetings are all about the synergy between parents and teachers with regards to the child's development. As a school we highly value the image parents have of their children - it helps us provide them with the best possible support for their needs.

After having worked as an English teacher at the HSL for over 4.5 years, Zarius Grove has just announced his imminent departure from the HSL by the end of this term. Mr. Zarius is returning to South Africa to further his education there. The HSL is most grateful to Mr. Zarius for everything he contributed over the past years to the educational program at the HSL and the development of our students in his role as teacher and coordinator of the English language team. We wish Mr. Zarius all the best and good luck in this next step in his life.

You have been sent a parental consent form and a Facebook privacy disclaimer. If you have not yet submitted these documents please do so at your earliest convenience. As long as we as a school do not have a completed parental consent form in our possession we cannot allow your child to join any future school trip that might be planned.

The Front Office has been extended with a new volunteer. We warmly welcome Sofie van Eerden and wish her all the best with her new tasks at the HSL. She will later introduce herself to you via Social Schools.

With kind regards,

Meino Meines

HSL Principal
