

Holland International School in Singapore is looking for a

PE teacher

Are you an experienced professional, keen to contribute to the development and growth of our students? The position of Physical Education Teacher at our school might then be something for you.

You ensure that effective Physical Education lessons are taught, appropriate to the age group. A part of the job scope is to implement the requirements of all relevant curricula and being responsible for the whole PE curriculum for the school. You will provide differentiated instruction for the various learning and skill levels of our students. In collaboration with homeroom teachers, as well as our learning support coordinator, you will observe both the performance and development of our students.

Together with the CCA coordinator you ensure a rich after school sports program suitable for all students.

We are looking for someone who is **proficient in English**, has a **relevant Bachelor degree or higher in sports education/science with a teaching certificate** and has a **minimum of 3 years of relevant experience**.

You have a deep understanding of the nature of sports and gymnastics and will allow the students to be more creative whilst adopting a more analytical approach to the specific skills in the PE programme.

We are looking for someone who:

- > is a team player who is flexible, adaptable and takes initiative
- > is able to follow curriculum documents and lesson plans
- > respects and values social, cultural and religious backgrounds
- > models tolerance and encourages mutual respect
- > encourages children to take pride in their achievements and in the achievements of their classmates

We will offer you:

- > a contract from 1 August 2023 onwards
- > a competitive salary
- > a monthly transport allowance

This is us

Holland International School (former Hollandse School Limited) is a school that provides excellent primary school education in the Dutch and English language. With attention to individual learning needs in a safe and tight-knit community, children will soon feel at home. With more than a century of educational experience in Singapore, Holland International School creates a rich learning environment where students are empowered to achieve their best.

At Holland International School we offer two learning streams based on one Dutch-rooted approach to education with an international focus. Our English Stream follows The English National Curriculum. The Dutch Stream offers a mirrored learning experience, with the Dutch National Curriculum. As part of the daily curriculum, children also have access to either Dutch or English language lessons.
